- ✓ **Markers** (sharpie's) useful to write child/students name on bottom of pumpkins so they don't get mixed up.

Pumpkin Patch Rules and Requests

We want your trip to "Johnson Brothers Pumpkin Patch" to be FUN and Memorable. There are a few important rules and request we ask of all our guests who visit our patch. Please look them over and discuss each of them with your kids, students or group members.

- ✓ **No Smoking Allowed**
- ✓ **Please Do Not Sit, Stand, Walk On, Crawl Over, Kick, Throw, Drop, Whip, Punch, Roll, Etc... the PUMPKINS!**
(As you can see the list for our poor Pumpkins is quite long... Seriously, Pumpkins are quite fragile, and can be easily cracked or bruised. They thrive on loving care. If treated properly a Pumpkin can last 6 months or longer! We just want them to last until Halloween.)
- ✓ **"Land of the Giants" Adult Supervision REQUIRED!** (No Climbing, Standing or Sitting on the PUMPKINS please. We want you to take pictures, PLEASE sit or kneel next to the Giants Not on them.)
- ✓ **No Running!**
- ✓ **No Bare Feet**
- ✓ **Do Not Climb or Hang from the "Halloween Bouncing Bags"**
- ✓ **Please Do Not Feed Corn Stalks to our "Barnyard Animals," it makes them sick!**
- ✓ **Do Not Paint any Pumpkins** (Paint your faces in "Indian Village" Not the Pumpkins!)
- ✓ **Parents, Teachers, Supervisors - We Request you watch and supervise your kids during your visit to our Patch.**
(We want you and your Kids to have fun, but we also want our Pumpkins and Displays to be intact for the next Group to enjoy. Thank You.)
- ✓ **Please Share** (Our Patch is quite popular, you may find your visit coincides with several other groups)
- ✓ **Be Careful!** (Pumpkins are round & roll easily, the stems are hard and sharp, be safe ☺)

We the, "Johnson Brothers, Tom & Eric," look forward your visit. Please let us, or any of our staff know if you have questions, comments or special requests.

Thank You and HAPPY HALLOWEEN!
